Major General George J. Keegan
Assistant Chief of Staff, Intelligence
Department of the Air Force
Washington, D. C. 20330

Dear George:

The enclosed is a copy of the Director's response to a letter from Major Richard J. O'Lear of the Air Force Academy faculty. The request the Director refers to is a result of a mention he made, while visiting the Academy, to the fact that some of our more sensitive photography has been decompartmented to the SECRET NO FOREIGN dissemination level. Major O'Lear apparently is hopeful that some of this photography could be used during the military training phase of the cadets' studies. I don't know whether such a release of this photography is possible. We have taken the liberty of referring Major O'Lear to you on the assumption you will be willing to work out with DIA the feasibility of responding to his request.

Sincerely,

Dear Major O'Lear:

This is to acknowledge your letter of 14 May regarding my visit to the Academy. I found the visit, short as it was, to be very enjoyable and I did appreciate your kind remarks.

In regard to your query concerning the use of special photography for training purposes, may I suggest that you communicate directly with Major General George Keegan, Assistant Chief of Staff, Intelligence. I believe that if you inform General Keegan of the purposes to which you hope to use this photography he will be able to determine if it will be feasible.

Sincerely,

/s/ W. E. Colby
